

Fearless Generosity

ROOTED IN FAITH

At Redmond UMC, our mission is simple and powerful: **Love. Serve. Grow.** These three words shape every ministry we offer. **Your giving makes this mission possible - not in theory, but in real and meaningful ways.**

As we look toward 2026, it's important to celebrate what your generosity has already made possible in 2025 (September YTD). Below, you'll find a **narrative ministry budget** that shows not just numbers, but impact - how your giving has been invested in ministry that loves boldly, serves faithfully, and grows spiritual formation within our community and beyond.

LOVE - \$125,162 invested (44% of our ministry)

We are called to love God and neighbor, where every person says, *"This is a church where I feel safe and loved."* Your giving supports:

- Gathering for worship, music, and prayer.
- Offering pastoral care at life's milestones.
- Creating an inclusive space where all know they are beloved children of God.

SERVE - \$98,703 invested (35% of our ministry)

We put love into action through service and justice. Your generosity helps turn compassion into tangible hope:

- Supporting local and global missions through the United Methodist Church connectional system.
- Standing in solidarity with marginalized communities through justice work with local partnerships like Porchlight, Open Kitchen, Reconciling Ministries, and the Church Council of Seattle.
- Offering our building as a hub of hospitality for community groups.

GROW - \$54,567 invested (19% of our ministry)

We grow together in faith and discipleship. Because of you, faith at Redmond UMC is not just taught - it is formed, lived, and shared:

- Providing Christian education and faith formation for all ages.
- Nurturing Bible studies, small groups, and retreats that deepen our relationship with God.
- Developing lay and clergy leaders who guide our ministries today and into the future.
