## *Current Worship Series - A Reason to Sing*

The people of God have always been a singing people - not because life is perfect, but because God is.

In this season, A Reason to Sing invites us to rediscover the reasons for joy, hope, and praise that are already woven into our daily lives. Rooted in the stories and teachings in Matthew, we'll explore how love, community, justice, and the presence of Holy Spirit give us a song - not someday into the future - but right here, right now.

We don't sing because everything is perfect. We sing because God created. We sing because God calls us good and beloved. We sing because God is.
